

Two Coats

HighRoad

[Verse 1]

Two coats were before me, the old and the new

I asked my sweet Master, what must I do

The first coat was ugly, so tattered and torn

The other a new coat, had never been worn

[Chorus]

I tell you the best thing I ever did do

I took off the old coat and put on the new

I tell you the best thing I ever did do

I took off the old coat and put on the new

[Verse 2]

The first one was earthly, and made from the ground

We bore on his image, the whole world around

The next was my Savior from Heaven so fair

He gave me this new coat you now see me wear

[Verse 3]

Now this coat, it suits me, it keeps me so warm

It's good in the winter and it's good in the storm

My Savior has blessed me with a garment so rare

He gave me this new coat you now see me wear
